20 August 2012

Leebcor Services awarded \$3.1 million contract at Fort Benning, Ga.

**WILLIAMSBURG – August 17, 2012** – As part of an ongoing Multiple-Award Task Order Contract at Fort Benning, Leebcor Services, LLC has been awarded a \$3.1 million contract to renovate and repair the deluge sprinkler system of a facility on base.

Renovations include the construction of two fire suppression rooms, as well as mechanical, plumbing and electrical repairs and upgrades that will bring the system to code.

Construction is set to begin later this month with anticipated completion in November 2013.

Other contracts awarded to Leebcor Services, LLC that have already been carried out or are in progress at Fort Benning include the renovation of a 56,000-square-foot training aids support center, and the construction of a 37,800-square-foot general instruction building with a combined value of approximately \$11.4 million.

Leebcor Services, LLC is a general contractor located in Williamsburg, Va., dealing primarily in design-build and government contracts. For more information on Leebcor Services, LLC, visit [www.leebcorservices.com](http://www.leebcorservices.com).

Fort Benning is an Army installation located in Columbus, Ga. For information on Fort Benning, visit [www.benning.army.mil/](http://www.benning.army.mil/).
