Leebcor Services completes construction at Sticks Kebob in Williamsburg

WILLIAMSBURG – September 11, 2012 – Leebcor Services has completed construction on the commercial build out for Sticks Kebob Shop at the new Courthouse Commons shopping center in Williamsburg, Virginia, valued at approximately \$200,000.00.

The interior build out of the new space included high-end commercial finishes, signage, custom millwork, flooring, paint, lighting and electrical fixtures, and the purchase and placement of all new kitchen equipment.

The restaurant, which opened earlier this month, promises affordable, healthy alternatives to fast food and other, more expensive sit-down establishments. The menu consists primarily of Mediterranean food, including assorted salads, kebob sticks, hummus, fresh-squeezed limeades, and options for catering to large groups.
