Leebcor Services awarded \$7.8 million contract for design/build Marine Corps Reserve Center

An artist concept drawing shows the proposed exterior elevation of the new \$7.89 million facility in Millington, Tenn.

WILLIAMSBURG – April 5, 2013 – Leebcor Services, LLC has been awarded a \$7.89 million contract from the Naval Engineering Facilities Command (NAVFAC), Midwest, to design and construct a Marine Corps Reserve Training Center (MCRC) and adjacent vehicle maintenance facility in Millington, Tenn.

This MCRC will provide weapons storage areas, classrooms, administrative and medical offices, assembly space, and storage for the Marine Corps. The vehicle maintenance facility will house administrative spaces in addition to vehicle maintenance bays. Both the MCRC and vehicle maintenance facility will have steel-framed structure with concrete foundation, concrete floors and masonry walls.

Design on this project is complete, and mobilization on the site began in November 2013 with anticipated completion in October 2014.

Leebcor Services, LLC is a general contractor located in Williamsburg, Va., dealing primarily in design-build and government contracts. For more information on Leebcor Services, LLC, visit www.leebcorservices.com.
