Leebcor Services awarded \$36.8 million contract to renovate Building 3105 Starship Barracks

WILLIAMSBURG – September 2016 – Leebcor Services, LLC (Leebcor) has been awarded an \$11.06 million contract from the United States Army Corps of Engineers (USACE), Savannah District to execute renovations to Building 3105 Starship Barracks at Ft. Benning, Ga. This project is the second task order under a \$499 million five-year Multiple-Award Task Order Contract awarded to Leebcor last year by the USACE Mobile District.

The Starship Barracks facility is a modern classroom barracks complex. This project will see all sleeping bays, laundry rooms and company areas renovated. Additionally, the building's mechanical, electrical and plumbing systems will be replaced with more efficient systems.

Design on this project will be completed by Goodwyn Mills Cawood (GMC) and is scheduled to begin in November 2016. Construction will begin in Spring 2017 with a completion date of July 2018.

Leebcor Services, LLC is a general contractor located in Williamsburg, Va., dealing primarily in design-build and government contracts. For more information on Leebcor Services, LLC, visit www.leebcorservices.com.

GMC is a privately-held architecture and engineering firm with offices throughout the southeastern United States. For more information on GMC, visit www.gmcnetwork.com.
